

336 Follow NOT a Multitude

Nowadays, you have to be rooted and grounded in the word of God and be Spiritually minded, **NOT** carnally minded. Otherwise you will be sucked into the flow of the multitude and it is easier to flow downstream than it is to swim upstream.

The scripture says that wide is the gate and broad is the way that leads to destruction and **MANY** (as in multitude or majority) be that pick that way.
Matthew 7:13* Enter ye in at the strait gate: for wide is the gate, and **broad is the way**, that leadeth to destruction, and many there be which go in thereat:

The handbook of the Marxists, the Nazi and all the forces of evil down through out our history, first of all destroyed the family ties by promoting that your family traditions are not right. You have to listen to the government and news media to hear the truth, the family traditions are just fables or fairy tales. Especially the traditions about God and Jesus, then you bring in political correctness and discrimination laws. Take away Freedom of speech, make the majority of the population dependent on the free hand outs, you know, social assistance and welfare. (This is the duty of the family and the church, until the socialist governments took over.) Society can no longer think for themselves (only what the government, news media and the educational system wants you to think).

A very big example of this, is the big lie that Man can change climate change by collecting a tax and issuing fines, all this is, is an easy way to get money.
Below is an insert from Hal Lindsey Report.

Do you think I'm just being an alarmist? Consider this. Recently, 20 prominent climate change scientists and professionals wrote a letter to President Obama and U.S. Attorney General Loretta Lynch. They asked the President to utilize RICO laws to find, prosecute, and punish other scientists and organizations who do not believe as they do.

RICO stands for "Racketeer Influenced and Corrupt Organizations Act." This is the law that Congress passed many years ago to fight organized crime.

In other words, these scientists are asking the government of the United States of America to launch a New Inquisition. And you just thought we lived in an "enlightened" age! Obviously, human nature remains the same.

But even more frightening is the fact that these scientists were not the first to think of this cowardly and unconstitutional ploy. A sitting U.S. Senator, Sheldon Whitehouse of Rhode Island, beat them to the sucker punch. In a Washington Post editorial, Senator Whitehouse accused the fossil fuel industry of funding research that directly contradicts conventional climate science.

Hey, forget about free speech or freedom of opinion. He thinks that anyone who doesn't see things his way is only in it for the money. Never mind that the climate scientists who toe the elitist line clean up with grants, university tenure, publishing contracts, plum teaching positions, and mega-dollar research projects.

Peer pressure in the academic community is almost unbearable. That's why even though huge numbers of reputable scientists do not believe in man-made climate change, you seldom hear about them. They fear for their jobs.

And they fear condemnation and ostracization by the complicit mainstream media.

Ironically, even Pope Francis, who is currently pushing man-made climate change right here in the United States, is contributing to the New Inquisition. By joining with the world's elitists to promote this bogus catastrophe, the pope is contributing forcefully to changing world opinion on this trumped-up power grab.

The **ONLY WAY** to combat climate change, is to repent and seek God.

2Chronicles 7:14 **If my people**, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

BUT WE KNOW, the way that the spirit of antichrist has taken such a hold over the ungodly people and the Religious organizations, and by what is written in the scriptures. That overall repentance is virtually impossible.

The world countries have been so overrun by the church of Satan and most countries are bound by political correctness, that they will not speak against the influx of Satans church.

IMMIGRATION WITHOUT SIMULATION IS NOTHING BUT INVASION.

The scripture also talks about **THE FEW**

Matthew 7:14* Because strait is the gate, and **narrow is the way**, which leadeth unto life, and **few there be that find it**.

Who are the few John 8:31 Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed;

You see not all that profess Christianity are not actually Christians only those that read the word and by the Grace of God, **DO THEIR BEST**.

Mark 3:35* For whosoever shall **do the will** of God, the same is my brother, and my sister, and my mother.
