

What is the Difference Between Good Music and Harmful Music

A quick guide for harmful: if the music or lyrics cause one to feel, **sensual, sexy, aroused, aggressive, rebellious, agitated, haughty, proud, depressed, or suicidal**, then the spirit behind it is Lucifer.

Ezekiel 28:13-17

Thou hast been in Eden the garden of God; every precious stone was thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: **the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created.** Thou art the anointed cherub that covereth; and I have set thee so: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire. Thou wast perfect in thy ways from the day that thou wast created, till iniquity was found in thee. By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire. Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness: I will cast thee to the ground, I will lay thee before kings, that they may behold thee.

You see, Satan was an Arch Angel - a Cherub and in him was created the art (if you may call it that) of music. So you see he knows what to use.

If you check back in history as well as today, all the ancient tribes had a sensual beat. The modern Rock music has the same beat and if you check back, most of the people that did violent crimes, said they were caught up in the beat of the music.

Unfortunately a lot of our modern churches have adapted this same satanic beat and say it's OK, because the words are Christ centered. You can call a Cobra a garter snake, but when it bites it's still poisonous.

A quick guide for good: if it makes you feel **peaceful, serene, joyous, sense of well being, state of worship, praise or brings repentance.** Now this covers secular music as well as church music

Now remember, this is just a quick guide and for a full guide for you. Is to spend some time talking to Jesus and if he convicts your conscience, don't turn him off.

Remember the Cobra.
