Why all the Protesting

Because we are in the LAST of the Last days.

2Timothy 3:2* For men shall be lovers of their own selves, **covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy,**

They are screaming Prejudice & Racism, Black lives matter & Defund the police, these are the ones that are Prejudice and Racists, MAN WILL NEVER STAMP OUT PREJUDICE, all these protesters with they're looting, burning and destruction are doing is fueling racism. They are doing exactly as the founders of defund the police and BLM. want, and that is to CRIPPLE the economy, create FEAR so that the one world government can step in and take over. And the people will willingly and dogmatically follow him.

Revelation 13:4* And they worshipped the dragon which gave power unto **the beast**: and they worshipped **the beast**, saying, Who is like unto **the beast**? who is able to make war with him?

You see any government that promotes socialism, is in all actuality promoting Communism. If you have read the manifesto of Carl Marx, Lennon, Hitler and others, you will find that whats going on in the USA and around the world NOW, is exactly what is written in their books.

Full democracy has always ended in a Dictatorship.

My Grandfather was just a young man when Russia was taken over by the Bolsheviks, which is now Communist. He would spend hours telling me the very things that are happening TODAY.

What can we do? We can pray for wisdom and Gods guidance to be granted to our leaders and that the righteous will rule.

NOT like most professing Christens pray, they in actuality tell God what to do, it goes something like this, "Oh Lord, don't let our leader do what he said he would," "May he fall in line with more like we want."

Matthew 5:44* But I say unto you, Love your enemies, **bless them** that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;

Is this what you do or how about Nancy Polasi when she said she prayed for Trump?

I will Share a little story or parable:

There were two Christian men that were shipwrecked, and hanging on to some debris, they got washed up on a deserted Island. It wasn't a huge island, so the outspoken man said, "So that there is no conflicted between us over what we find for survival, you take half the island on the other side and I will stay here." The first guy found some fruit trees and enjoyed a satisfying meal, he then decided to pray. He said Lord, I thank you for saving my life and these fruit trees for food. But Lord I need some tools so I can build dwelling place.

The next morning a tool chest from the sunken ship washed up on shore. The man was ecstatic and he built himself a fine dwelling. Again he prayed and said thank you Lord, but I could use some cloths and toiletries. Again in the morning, a suitcase filled with what he wanted, washed ashore on his side of the island. Now this went on for several months, and everything he prayed for, he got, so by this time he figured the Lord really loved him because he was having every prayer answered.

He finely decided that he would pray that he was rescued.

By this time he had built himself a nicer and bigger home, he set fire to the old one as he didn't need it plus it wasn't that good. The next morning there was a smaller ship came to his island and as some of the crew rowed to land, he was so jubilant and ask them how did they know he was there? They said we seen your fire last night and followed the smoke when it got light.

He was about to jump in the boat, when the Lord spoke and said what about your friend on the other side of the island, don't forget him!

The guy said oh, I didn't forget him, he didn't accomplish much and you answered all my prayers, so I thought I would leave everything for him.

THE LORD SAID, whoa wait, I wasn't answering yourself centered prayers, I WAS ANSWERING HIS

Your prays were all about you and what you wanted, you never even mentioned him. And all this time he thanked me for his needs, but never ask. Instead he prayed for you every day, and his request to me was, LORD, GRANT MY FRIEND EVERY REQUEST HE MAKES OF YOU AND BLESS HIM.

So you see, it matters what you pray and also the example you're showing.
