I met this guy while I was in Albuquerque and he has a motto he lives by every day. He said listen carefully and live by these four rules: Drink, Steal, Swear, and Lie.

I was shaking my head 'No!', but he then told me to listen while he explained his four rules. So here they are:

1. **'Drink'** from the 'everlasting cup' every day.
2. **'Steal'** a moment to help someone who is in worse shape than you are.
3. **'Swear'** that you will be a better person today than yesterday.
4. And last, but not least, when you **'lie'** down at night thank God you live in America and have freedom.
