When the debate is lost, Socrates

Slander becomes the tool of the losers.

Romans 3:7-9

For if the truth of God hath more abounded through my lie unto his glory; why yet am I also judged as a sinner? And not rather, (as we be slanderously reported, and as some affirm that we say,) Let us do evil, that good may come? whose damnation is just. What then? are we better than they? When you see that in order to produce, you need to obtain permission from men who produce nothing.

When you see that money is flowing to those who deal, not in goods, but in favors.

When you see that men getting richer by graft and by pull rather than work, and your laws don't protect you against them, but protect them against you.

When you see corruption being rewarded and honesty becoming a self-sacrifice .

You'll know that your society is DOOMED.
