You and being successful is the
Will to try it and the faith to believe.

**Ecclesiastes 9:11* I returned, and saw under the sun,
that the race is not to the swift, nor the battle
to the strong, neither yet bread to the wise, nor
yet riches to men of understanding, nor yet favour to
men of skill; but time and chance happeneth to them all.**

There once was a woman who woke up one morning, looked in the mirror, and noticed she had only three hairs on her head.

"Well," she said, "I think I'll braid my hair today." So she did and she had a wonderful day.

The next day she woke up, looked in the mirror and saw that she had only two hairs on her head.

"H-M-M, " she said, "I think I'll part my hair down the middle today." So she did and she had a grand day.

The next day she woke up, looked in the mirror and noticed that she had only one hair on her head.

"Well," she said, "Today I'm going to wear my hair in a pony tail." So she did and she had a fun, fun day.

The next day she woke up, looked in the mirror and noticed that there wasn't a single hair on her head.

"YEAH!" she exclaimed, "I don't have to fix my hair today!"

Attitude is everything.

Noah's Ark : Everything I need to know, I learned from Noah's Ark .

ONE: Don't miss the boat.

TWO: Remember that we are all in the same boat!

THREE: Plan ahead. It wasn't raining when Noah built the Ark.

FOUR: Stay fit. When you're 60 years old, someone may ask you to do something really big.

FIVE: Don't listen to critics; just get on with the job that needs to be done.

SIX: Build your future on high ground.

SEVEN: For safety's sake, travel in pairs.

EIGHT: Speed isn't always an advantage. The snails were on board with the cheetahs.

NINE: When you're stressed, float awhile.

TEN: Remember, the Ark was built by amateurs; the Titanic by professionals.

ELEVEN: No matter the storm, there's **always** a rainbow waiting.

First, as long as there is breath in your body,
realize that it's impossible for everything to be in a mess.

Something has to be right.

The first thing is to find the things that are right.

All messes take a little time to clean, and patience
is one of the necessary cleaning agents.
