A story to illustrate

Garbage Day

By Gil Goodwin

Garbage collectors were picking up our trash as my wife walked back into our house. A particular barrel was very heavy. "Lady, we can't take this," one man called out. "It's way over the weight limit."

(politically correct - don't work to hard)

My wife turned her eight-month-pregnant figure toward him. "It didn't seem that heavy when I carried it out," she said.

Without another word, the man emptied the barrel into the truck.

(Common sense - correct)
